

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Conner
DOCKET NO.: 11-23675.001-R-1
PARCEL NO.: 05-17-315-004-0000

The parties of record before the Property Tax Appeal Board are Conner, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 15,980
IMPR.: \$ 75,599
TOTAL: \$ 91,579

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 85-year old, two-story, stucco, single-family dwelling. Features of the home include: a partial basement, central air conditioning, two fireplaces and a one-car garage. The property has a 12,534 square foot site and is located in New Trier Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$965,000 as of January 1, 2010. The appraisal stated that an interior and exterior inspection had been undertaken on May 23, 2011. Based upon this inspection, the subject's improvement size was

indicated as 3,123 square feet of living area, while also stating that the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,745. The subject's assessment reflects a market value of \$1,135,353, when applying the 2011 three year median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue. As to the subject's improvement size, the board of review submitted a property characteristic printout which reflected a size of 3,524 square feet of living area.

In support of its contention of the correct assessment, the board of review submitted descriptive, assessment and unadjusted sales information on four suggested comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of improvement size and market value to be the *appraisal submitted by the appellant*. The Board finds the subject property is owner-occupied with a market value of \$965,000 as of the assessment date at issue. Since market value has been established, the 2011 three year median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
