

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy McAndrew
DOCKET NO.: 11-23686.001-R-1
PARCEL NO.: 14-28-318-077-1328

The parties of record before the Property Tax Appeal Board are Nancy McAndrew, the appellant, by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,299
IMPR.: \$ 36,701
TOTAL: \$ 38,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 39-year old, condominium unit located in a condominium building with a total of 398 units. The total site has a 53,250 square feet and is located in Lake View Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject unit had a market value of \$380,000 as of July 23, 2011. The appraisal stated that a physical inspection had been undertaken and that the subject property is an owner-occupied residence with 1,184 square feet of living area. The

appellant requested a 10% level of assessment be applied to a requested market value of \$380,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,420. The subject's assessment reflects a market value of \$404,200 when applying the level of assessment for class 2, residential property of 10% as determined by the Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted assessment information on the subject building's units as well as unadjusted sales data on 31 suggested sale comparables. In addition, two different versions of a market value analysis were submitted where the 31 sales were commingled while applying either a 2% or 8% deduction for personal property, while developing a market value for the building as a whole and then applying the subject's percentage of ownership.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the *appraisal submitted by the appellant*. The Board finds the subject property is owner-occupied with a market value of \$380,000 as of the assessment date at issue. Since market value has been established, the level of assessment for class 2, residential property of 10% as determined by the Cook County Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
