

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patty Felker
DOCKET NO.: 11-23777.001-R-1
PARCEL NO.: 05-28-111-029-0000

The parties of record before the Property Tax Appeal Board are Patty Felker, the appellant, by Christopher G. Walsh Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,247
IMPR.: \$59,753
TOTAL: \$82,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a bi-level dwelling of brick construction with 2,972 square feet of living area. The dwelling was constructed in 1938. Features of the home include a full basement that is partially finished, central air

conditioning, two fireplaces and a two-car garage. The property has a 13,691 square foot site and is located in Wilmette, New Trier Township, Cook County. The property is a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of 820,000 as of January 1, 2011. Based on this evidence the appellant requested the subject's assessment be reduced to reflect the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$93,426. The subject's assessment reflects a market value of \$934,260 or \$314.35 per square foot of living area, including land, when applying the Cook County level of assessments for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted four equity comparables, one of which sold in July 2011 for \$1,000,000. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant estimating the subject had a value of \$820,000 as of January 1, 2011. The Board gave little weight to the equity comparables presented by the board of review. The Board finds this evidence is not responsive to the overvaluation argument made by the appellant. The Board also gave less weight to the one sale submitted by the board of review, as the Board finds one unadjusted sale does not overcome the three adjusted comparables from the appellant's appraisal. The subject's assessment reflects a market value above the best

evidence of market value in the record. Based on this evidence the Board finds a reduction commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
