

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Averill
DOCKET NO.: 11-23888.001-R-1
PARCEL NO.: 23-30-203-015-0000

The parties of record before the Property Tax Appeal Board are Donald Averill, the appellant, by attorney Christopher G. Walsh Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,827
IMPR: \$120,173
TOTAL: \$130,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 4,337 square feet of living area of masonry construction.¹ The dwelling was constructed in 2005. Features of the home include a full basement finished with a recreation room, central air conditioning, three fireplaces and a 4-car attached garage. The property has a 43,676 square foot site and is located in Palos Park, Palos Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,300,000 as of October 29, 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$177,235. The subject's assessment reflects a market value of \$1,772,350 or \$408.66 per square foot of living area, including land, when applying the level of assessment for class 2-08 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables. The comparables were all located along the same street and within the same block as the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value to be the appraisal submitted by the appellant estimating the subject

¹ Board of review data indicates the subject dwelling contains 4,115 square feet of living area, two fireplaces and a full unfinished basement. The Board finds the best evidence of the subject's dwelling size is the appraisal which was supported by a schematic diagram depicting a dwelling size of 4,337 square feet of living area.

property had a market value of \$1,300,000. The subject's assessment reflects a market value of \$1,772,350 which is considerably above the appraised value. The Board finds the subject property had a market value of \$1,300,000 as of the assessment date at issue. No weight was given to the assessment equity evidence presented by the board of review because it did not address the appellant's overvaluation argument. Based on this evidence, the Board finds a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
