

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Halbieb  
DOCKET NO.: 11-23901.001-R-1  
PARCEL NO.: 22-24-308-002-0000

The parties of record before the Property Tax Appeal Board are John Halbieb, the appellant, by attorney Christopher G. Walsh Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,819  
**IMPR.:** \$44,181  
**TOTAL:** \$55,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 4,486 square feet of living area of frame construction<sup>1</sup>. The dwelling was constructed in 1990. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a 3-car attached garage. The property has a 48,085 square foot site and is located in Lemont, Lemont Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$550,000 as of January 1, 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$58,257. The subject's assessment reflects a market value of \$582,570 or \$129.86 per square foot of living area, including land, when applying the Ordinance level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$550,000. The subject's assessment reflects a market value of \$582,570 which is more than the appraised value. The Board finds the subject property

<sup>1</sup> Board of review data indicates the subject dwelling contains 4,058 square feet of living area. The Board finds the best evidence of the subject's dwelling size is the appraisal which was supported by a schematic diagram depicting a dwelling size of 4,486 square feet of living area.

had a market value of \$550,000 as of the assessment date at issue. No weight was given to the assessment equity evidence presented by the board of review because it did not address the appellant's overvaluation argument. Based on this evidence the Board finds a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
