

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elliot Frolichstein-Appel
DOCKET NO.: 11-24274.001-R-1 through 11-24274.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Elliot Frolichstein-Appel, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-24274.001-R-1	10-25-220-045-0000	6,135	0	\$6,135
11-24274.002-R-1	10-25-220-068-0000	7,548	27,124	\$34,672

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 71-year old, two-story, single-family dwelling of frame and masonry construction. Features of this owner-occupied home include a full basement, central air conditioning, two fireplaces and a two-car garage. The property has an 8,160 square foot site and is located in Evanston Township. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$430,000 as of October 25, 2010, while developing two of the three traditional approaches to value: the

sales comparison and the cost approaches to value. The appraisal indicated that the subject's improvement contained 2,508 square feet of living area along with a building schematic and calculations. The appellant requested application of the Illinois Department of Revenue's three year median level of assessment of 9.49%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,135. The subject's assessment reflects a market value of \$517,756 when applying the 2011 three year average median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue. The board's grid analysis indicated that the subject's improvement contains 2,325 square feet without further explanation.

In support of its contention of the correct assessment, the board of review submitted descriptive, assessment and sales information on four suggested comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of the subject's size and market value to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$430,000 as of the assessment date at issue. Since market value has been established the 2011 three year median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
