

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: FSRP LLC
DOCKET NO.: 11-24275.001-R-1
PARCEL NO.: 11-30-216-013-0000

The parties of record before the Property Tax Appeal Board are FSRP LLC, the appellant, by attorney Mary Anne Phelan, of Much Shelist in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,075
IMPR.: \$ 28,425
TOTAL: \$ 37,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 91-year old, three-story, multi-family dwelling of masonry construction. Features of this tenant-occupied building include a full basement, three apartments, and a three-car garage. The property has a 4,125 square foot site and is located in Rogers Park Township. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$375,000 as of February 16, 2011. The appraisal developed all three approaches to value, while the improvement's inspection reflected 5,631 square feet of living area. In support of this assertion, copies of the building's schematic and living area breakdown were submitted. In addition, the

appellant requested application of the Cook County Classification Ordinance's level of assessment of 10% resulting in a total assessment of \$37,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,249. The subject's assessment reflects a market value of \$592,490 when applying the 10% level of assessment for class 2 property as determined by the Cook County Classification Ordinance. As to the subject, the board's grid analysis indicated that the subject contained an improvement size of 5,475 square feet. In addition, the subject's printouts reflect that no homeowner's exemption was accorded this property from tax year 2007 through 2011. Moreover, the appellant/taxpayer was identified as being located at 6325 N. Sheridan, #1003, in Chicago, while the subject's address is 7710 N. Marshfield in Chicago.

In support of its contention of the correct assessment, the board of review submitted descriptive, assessment and sales information on four suggested comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of the subject's size and market value to be the *appraisal submitted by the appellant*. The Board finds the subject property, which is not owner-occupied, had a market value of \$375,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property of 10% as determined by the Cook County Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
