

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Harry Tse  
DOCKET NO.: 11-25631.001-R-1  
PARCEL NO.: 19-01-215-164-1004

The parties of record before the Property Tax Appeal Board are Harry Tse, the appellant(s), by attorney Robert J. Paul, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 1,312**  
**IMPR: \$ 7,229**  
**TOTAL: \$ 8,541**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a of two- year old condominium unit in a three unit building. The subject is a three bedroom, two bath unit with a 39% ownership interest. The property has a 3,130 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-99 property

under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$90,000 as of January 1, 2011. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,020. The subject's assessment reflects a market value of \$484,931 when applying the 2011 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted a memorandum from Dan Micahelides, an analyst, stating that the value of the subject is \$563,748 based on the sale of two units in the building in 2007.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$484,931, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$90,000 as of the assessment date at issue. Since market value has been established the 2011 three year average median level of assessments for Cook County of 9.49% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(1)).
