

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chuck Bittman
DOCKET NO.: 11-25634.001-R-1
PARCEL NO.: 18-05-428-018-0000

The parties of record before the Property Tax Appeal Board are Chuck Bittman, the appellant(s), by attorney Edward M. Burke, of Klafter & Burke in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,156
IMPR.: \$ 41,611
TOTAL: \$ 49,767

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story single-family dwelling of stucco construction with 1,755 square feet of living area. The dwelling was constructed in 1921. Features of the home include a full unfinished basement, one and one-half baths, and a two-car garage. The property has a 11,250 square foot site and is located in La Grange, Lyons Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales which sold from July 2010 to April 2011.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,767. The subject's assessment reflects a market value of \$524,415 or \$298.81 per square foot of living area, land included, when using the 2011 three year average median level of assessment for Cook County of 9.49% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and sales data for each of the four comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, #4 and the board of review's comparable #2, #3 and #4. These similar comparables sold for prices ranging from \$190.77 to \$339.29 per square foot of living area, including land. The subject's assessment reflects a market value of \$298.81 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
