

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenilworth Equities, LLC
DOCKET NO.: 11-26297.001-R-1
PARCEL NO.: 30-20-412-026-0000

The parties of record before the Property Tax Appeal Board are Kenilworth Equities, LLC, the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,521
IMPR: \$ 5,581
TOTAL: \$ 7,102

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one and one-half story, single-family building of masonry construction with 1,146 square feet of building area. The dwelling contains two and one-half baths, a full unfinished basement, and air conditioning. The property has a 4,680 square foot site, and is located in Calumet City, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold in September 2008 for \$45,500.

This evidence included a copy of the deed and settlement statement. In addition per Section IV-Recent Sale Data, the appellant confirmed the sale date, price, that the sale was not a transfer between family or related parties, and that the subject was advertised for sale by a realtor. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,102. The subject's assessment reflects a market value of \$74,837 or \$65.30 per square foot of building area, including land, when applying the 2011 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted three equity comparables, sales data for two of the comparables, and confirmed the September 2008 sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the subject's market value per the appellant's evidence including the settlement statement is not reflective of the market value of the subject in 2011. No further evidence was submitted to substantiate that the subject's sale price in 2008 is reflective of the market value in 2011. Furthermore, the year the subject was sold was in a different assessment triennial than the 2011 tax year. After considering the evidence submitted, the Board finds the subject's improvement assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
