

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mui Francis
DOCKET NO.: 11-26710.001-R-1 through 11-26710.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Mui Francis, the appellant(s), by attorney Donald J. Mock, of Borovsky & Ehrlich in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-26710.001-R-1	17-32-216-026-0000	7,705	33,750	\$41,455
11-26710.002-R-1	17-32-216-027-0000	7,705	0	\$7,705

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame and masonry construction containing 2,539 square feet of living area. The dwelling was constructed in 1968. Features of the home include a full unfinished basement, air conditioning, and a two baths. The property has a 3,082 square foot site and is located in Chicago, South Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted

information on four equity comparables. In addition, the appellant submitted the assessor's printouts for each comparable.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,455. The subject property has an improvement assessment of \$33,750 or \$13.29 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

In rebuttal, the appellant's attorney distinguished the board of review's comparables based on age, construction, and location. The appellant's attorney also included the appeal history for each comparable.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #3 and the board of review's comparables #1, #2 and #3. These comparables had improvement assessments that ranged from \$8.96 to \$18.22 per square foot of living area. The subject's improvement assessment of \$13.29 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
