

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hui-Lung & Wen Ching Hsieh  
DOCKET NO.: 11-26896.001-R-1  
PARCEL NO.: 18-30-408-016-0000

The parties of record before the Property Tax Appeal Board are Hui-Lung & Wen Ching Hsieh, the appellants, by attorney Christopher G. Walsh, Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,771  
**IMPR.:** \$61,239  
**TOTAL:** \$70,010

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction. The dwelling is approximately 29 years old and has 4,110 square feet of living area. Features of the home

include a full unfinished basement, central air conditioning, a fireplace and a two and one-half car garage. The property has a 15,254 square foot site and is located in Lyons, Lyons Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,010. The subject property has an improvement assessment of \$61,239 or \$14.90 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

#### Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Both parties submitted information on a total of eight suggested equity comparables. The Board finds that all of the comparables submitted were very similar to the subject in location, design, age, living area and most features. Additionally, five of the comparables had masonry exterior construction like the subject. These comparables had improvement assessments that ranged from \$8.40 to \$15.63 per square foot of living area. The subject's improvement assessment of \$14.90 per square foot of living area falls within the range established by the comparables submitted for this appeal. Based on this record, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
