

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Mlynski
DOCKET NO.: 11-27107.001-R-1 through 11-27107.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Steve Mlynski, the appellant, by attorney Russell Cech, Attorney at Law in Frankfort; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-27107.001-R-1	18-04-315-013-0000	4,306	52,176	\$56,482
11-27107.002-R-1	18-04-315-014-0000	4,893	13,044	\$17,937

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is an 88 year-old, two-story dwelling of stucco construction containing 3,052 square feet of living area. It is situated on two contiguous parcels. Features of the home include a partial finished basement, central air conditioning and a fireplace. The two-parcel property has a 12,690 square foot site and is located in Lyons Township, Cook County. The property is a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on six suggested equity comparables.

The board of review's Notes on Appeal disclosed the land, improvement and total assessments for only one of the two parcels. The board of review's final assessment letter, included in the evidence submitted by the appellant, discloses the total assessment for the two-parcel subject is \$74,419. The two-parcel subject property has an improvement assessment of \$65,220, or \$21.37 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3 and #4, and the board of review's comparables #1, #2 and #3. These comparables had improvement assessments that ranged from \$19.04 to \$22.06 per square foot of living area. The subject's improvement assessment of \$21.37 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
