

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Claudia Langman
DOCKET NO.: 11-27928.001-I-1 through 11-27928.003-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Claudia Langman, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-27928.001-I-1	16-01-146-010-0000	15,060	25,492	\$ 40,552
11-27928.002-I-1	16-01-416-011-0000	15,060	25,492	\$ 40,552
11-27928.003-I-1	16-01-416-012-0000	20,081	42,837	\$ 62,918

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story building of masonry construction. The building is 92 years old. The property has a 15,750 square foot site, and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 5-93 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The appellant's evidence states that the subject's improvement size is 15,102 square feet of building area with no further evidence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,022. The subject's assessment reflects a market value of \$576,088 when applying the 2011 statutory level of assessment for industrial property under the Cook County Real Property Assessment Classification Ordinance of 25.00%.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service. The board of review's evidence states that the subject's improvement size is 14,850 square feet of building area. In support of this claim, the board of review submitted the subject's property record card, which included a drawing of the subject's perimeter with measurements.

Conclusion of Law

Initially, the Board finds that the subject's improvement size is 14,850 square feet of building area. "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board gave the drawing on the subject's property record card, submitted by the board of review, considerable weight, as the Board finds this drawing fairly and accurately depicts the subject's improvement size. The Board further finds that the subject's improvement size is 14,850 square feet of building area, and that the subject's market value is \$38.79 per square foot of building area, including land, when applying the 2011 statutory level of assessment for industrial property under the Cook County Real Property Assessment Classification Ordinance of 25.00%.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables #1 and #3, and board of review comparables #1 and #4. These comparables sold for prices ranging from \$23.09 to \$62.01 per square foot of building area, including land. The subject's assessment reflects a market value of \$38.79 per square foot of building area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
