

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 1921 Sedgwick, LLC
DOCKET NO.: 11-28194.001-R-1 through 11-28194.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are 1921 Sedgwick, LLC, the appellant, by attorney Jeffrey G. Hertz, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-28194.001-R-1	14-33-401-050-0000	5,505	54	\$ 5,559
11-28194.002-R-1	14-33-401-059-0000	35,925	34,436	\$70,361

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is 119 years old, and consists of a three-story dwelling of masonry construction containing 4,908 square feet of living area. Features of the home include a full

basement. The subject property has a 4,056 square foot site, is located in North Chicago Township, Cook County and is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and over-valuation as the bases of the appeal. In support of this argument the appellant submitted information on four suggested equity comparables. The appellant also submitted an appraisal in support of its over-valuation argument, estimating the subject property had a market value of \$800,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,459. The subject property has an improvement assessment of \$60,534 or \$12.33 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables, each of which is a sale from 2010.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$800,000 as of the assessment date at issue. Since market value has been established, the 2011 three-year median level of assessment of 9.49% for class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

After a reduction based on market value, the Board finds the subject property is equitably assessed.
