

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: South Shore Hospital
DOCKET NO.: 11-28204.001-R-1 through 11-28204.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are South Shore Hospital, the appellant(s), by attorney John P. Fitzgerald, of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-28204.001-R-1	20-36-205-022-0000	2,812	6,098	\$8,910
11-28204.002-R-1	20-36-205-023-0000	2,812	6,098	\$8,910

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of masonry construction with 2,082 square feet of living area. The dwelling was constructed in 1948. Features of the home include a full basement and a fireplace. The property has a 3,125 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables. The appellant's comparables range: in building size from 2,394 to 2,857 square feet of living area; in age from 58 to 99 years; in location from 8 blocks to 2 blocks from the subject property; and in improvement assessments from \$3.22 to \$5.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,820. The subject property has an improvement assessment of \$12,196 or \$5.86 per square foot of living area. The board of review supplied information indicating that the property has a pro-rated improvement assessment at 50% totaling \$5.86 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review's comparables range: in building size from 1,890 to 2,340 square feet of living area; in age from 72 to 83 years; in location from 1/4 mile to the subarea of the subject property; and in improvement assessments from \$6.25 to \$7.14 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not warranted*.

The Board finds the best evidence of assessment equity to be *appellant's comparable #2 and the board of review's comparables #3 and #4*. These comparables had improvement assessments that ranged from \$4.98 to \$6.80 per square foot of living area. The subject's improvement assessment of \$5.86 per square foot of living area falls *within* the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not demonstrate* with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not justified*.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
