

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda McDonagh
DOCKET NO.: 11-28613.001-R-1 through 11-28613.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Linda McDonagh, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
11-28613.001-R-1	10-20-110-041-0000	2,343	11,969	\$14,312
11-28613.002-R-1	10-20-110-042-0000	2,343	11,969	\$14,312

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels that are improved with a one and one-half story dwelling of frame and masonry construction. The dwelling is approximately 58 years old and has 1,915 square feet of living area. Features of the home include a full unfinished basement, central air conditioning and a two-car garage. The property has a 6,250 square foot site and is located in Morton Grove, Niles Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. As part of its submission, the appellant submitted information regarding the board of review's assessment for the subject's two parcels. The subject has a total assessment of \$29,600 and an improvement assessment of \$24,914 or \$13.01 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject's parcel ending in 041. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted information on a total of seven suggested equity comparables. The board of review's comparables #1 and #2 were considerably newer than the subject, and comparable #3 had an improvement assessment of \$6.22 which appeared to be a prorated assessment. As a result, the board of review comparables received reduced weight in the Board's analysis. The Board finds the best evidence of assessment equity to be the appellant's comparables. The appellant's comparables were very similar to the subject in nearly every characteristic. These comparables had improvement assessments that ranged from \$12.10 to \$12.91 per square foot of living area. The subject's improvement assessment of \$13.01 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
