

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Erwin Shakin  
DOCKET NO.: 11-28646.001-I-1  
PARCEL NO.: 10-20-300-043-0000

The parties of record before the Property Tax Appeal Board are Erwin Shakin, the appellant, by attorneys Leonard Schiller and Abby Strauss of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$67,992  
**IMPR.:** \$335,886  
**TOTAL:** \$403,878

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a one-story pre-cast concrete and steel constructed light-industrial style office-warehouse structure with approximately 30,084 square feet of building area. The building has 24,504 square feet of warehouse space and 5,580 square feet of office area. The building was constructed in stages in 1995 and 1999. The subject property

has a clear ceiling height in the warehouse of approximately 19 feet, two drive-in doors, a single recessed style truck dock, a sprinkler system and a three-car metal panel garage attached to the north side of the building. The property has a 57,257 square foot site and is located in Morton Grove, Niles Township, Cook County. The property is classified as a class 5-93 industrial building under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$1,200,000 as of January 1, 2012. The appraisal was prepared by James O. Hamilton, Certified General Real Estate Appraiser, of James O. Hamilton & Company, Inc. In estimating the market value of the subject property the appraiser developed the cost approach to value, the income approach to value and the sales comparison approach to value.

The appellant indicated on the petition the subject property had a total assessment of \$503,868. The subject's assessment reflects a market value of \$2,015,472 when using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 5-93 property of 25%. On the petition the appellant requested the subject's total assessment be reduced to \$403,878.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record to be the appraisal submitted by the appellant estimating the subject property had a market value of \$1,200,000 as of January 1, 2012, one year after the assessment date at issue. The

subject's assessment reflects a market value above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the evidence submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
