

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zorica Ledic
DOCKET NO.: 11-28730.001-R-1
PARCEL NO.: 20-11-328-001-0000

The parties of record before the Property Tax Appeal Board are Zorica Ledic, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,803
IMPR.: \$82,067
TOTAL: \$87,870

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story apartment building with 20,133 square feet of living area. The building was constructed in 1925. The property has a 7,738 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 3-15 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$87,870. The subject's assessment reflects a market value of \$878,700 or \$43.64 per square foot of living area, including land, when applying the 2011 level

of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sale #4 and board of review comparable sale #3. These comparables had varying degrees of similarity when compared to the subject and also sold most proximate in time to the January 1, 2011 assessment date. These comparables sold in October and November 2010 for prices of \$620,000 and \$840,000 or \$23.58 and \$43.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$43.64 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave less weight to the parties' remaining comparables due to their sale date occurring greater than 12 months prior to the assessment date at issue. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
