

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Voss  
DOCKET NO.: 11-28995.001-R-1  
PARCEL NO.: 13-09-311-050-1003

The parties of record before the Property Tax Appeal Board are Peter Voss, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,752  
**IMPR.:** \$ 19,499  
**TOTAL:** \$ 23,251

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a residential condominium unit with a 20.0% ownership interest in the common elements. It is part of a five-unit building that is situated on an 11,725 square foot

site. The property is located in Jefferson Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on its recent sale, as well as an appraisal.

The evidence reflects that the subject was purchased in January 2011 from Karen Asuncion, pursuant to a foreclosure. The petition indicated the parties were unrelated, and a real estate broker was involved in the transaction.

The appellant also submitted an appraisal. The appraisal estimated the subject property had a market value of \$245,000 as of December 8, 2010 using the sales comparison approach to value.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$27,650 was disclosed. This assessment reflects a market value of \$291,359 after applying the 2011 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% as determined by the Illinois Department of Revenue. In support of the subject's assessment, the board of review submitted a memo from Dan Michaelides, Cook County Board of Review Analyst. The memorandum shows that one unit in the subject's complex, or 21.0% of ownership, sold in 2009 for an aggregate price of \$376,000. An allocation of 2.00% for personal property was subtracted from the sales price, and then divided by the percentage of interest of the unit to arrive at a total market value for the building of \$1,754,666. The subject's percentage of ownership was then utilized to arrive at a value for the subject unit of \$350,933.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden

of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant dated December 8, 2010 and valuing the subject at \$245,000, as this evidence best reflects the subject's market value as of January 1, 2011. Less weight was given to the appellant's foreclosure purchase. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$245,000 as of the assessment date at issue. Since market value has been established the 2011 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
