

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill Adrianos  
DOCKET NO.: 11-29460.001-R-1  
PARCEL NO.: 16-12-427-016-0000

The parties of record before the Property Tax Appeal Board are Bill Adrianos, the appellant(s), by attorney Peter D. Verros, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 2,000  
**IMPR.:** \$ 847  
**TOTAL:** \$ 2,847

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, two-unit dwelling of masonry construction. The dwelling is 125 years old. Features of the home include two bathrooms and a one-car garage. The property has a 3,024 square foot site and is located in West

Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$30,000 as of January 1, 2011. The appraisal indicates the subject is tenant occupied and that it contains 1,792 square feet of living area. The appraisal also indicates the subject sold in June 2009 for a price of \$45,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,500. The subject's assessment reflects a market value of \$216,017 or \$120.55 per square foot of living area, including land, when applying the 2011 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review's grid sheet indicates the subject sold in October 2011 for a price of \$37,500, or \$22.87 per square foot of living area, including land. The board of review did not submit additional evidence of this sale.

### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The appraisal was given the most weight as its valuation date is the same as the valuation date at issue. The Board finds the subject property had a market value of \$30,000 as of the assessment date at issue. Since market value has been established the 2011 three

year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.49% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
