

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Takie Woldegebriel
DOCKET NO.: 11-29932.001-R-1
PARCEL NO.: 13-01-112-031-0000

The parties of record before the Property Tax Appeal Board are Takie Woldegebriel, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,184
IMPR.: \$38,816
TOTAL: \$47,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists a three-story, masonry, multi-family dwelling of approximately 20 years in age. Features of the subject include a full basement with an apartment therein as well as three other units within the building. The property contains 4,092 square feet of land and is located in Jefferson Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$470,000 as of July 2, 2011. The appraiser developed all three of the traditional approaches to value, while placing most weight on the sales comparison approach. In addition, the appraisal indicated that the subject property's four units have the following breakdown: the basement and first floor

units are owner-occupied, while the second and third floor units are tenant-occupied as of the appraisal date. The appraisal also indicated that the subject's improvement contained 6,480 square feet of living area with a building schematic submitted in support.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,788. The subject's assessment reflects a market value of \$577,880 including land, when applying the 2011 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review's analysis indicated that the subject's improvement contains 6,064 square feet of living area without further explanation.

As to the overvaluation issue, the board of review submitted descriptive, assessment and limited, raw sales data on four suggested comparables.

In written rebuttal, the appellant asserted that unadjusted sales should be given no weight in comparison to the appellant's appraisal.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of building size and units as well as market value to be the appraisal submitted by the appellant. The Board finds the owner-occupied and tenant-occupied, subject property had a market value of \$470,000 as of the assessment date at issue. Since market value has been established, the 2011 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
