

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Phil Sharken  
DOCKET NO.: 11-29940.001-R-1  
PARCEL NO.: 13-12-119-028-0000

The parties of record before the Property Tax Appeal Board are Phil Sharken, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 7,500  
**IMPR.:** \$ 22,000  
**TOTAL:** \$ 29,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, masonry, multi-family dwelling containing two apartment units. Features of the subject include a full basement and a two-car garage. The property has a 3,750 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$295,000 as of October 22, 2011, while developing both the income and the sales comparison approaches to value. In addition, the appraisal indicated that the subject property was tenant-occupied, while also indicating that the building contained 2,640 square feet of living area. Further, the appellant's pleadings requested a total assessment of \$29,500 for the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,349. The subject's assessment reflects a market value of \$333,490 including land, when applying the 2011 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In addition, the board of review's evidence indicated that the subject contained 2,063 square feet of living area.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four comparables, with sales data listed for two of these properties.

In written rebuttal, the appellant asserted that unadjusted sales should be given no weight in comparison to the appellant's appraisal.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the *appraisal submitted by the appellant*. The Board finds the tenant-occupied, subject property had a market value of \$295,000 as of the assessment date at issue. Since market value has been established, the 2011 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
