

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Xiu Li Fang
DOCKET NO.: 11-30068.001-R-1
PARCEL NO.: 17-28-232-043-0000

The parties of record before the Property Tax Appeal Board are Xiu Li Fang, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,020
IMPR.: \$21,904
TOTAL: \$28,924

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling of masonry construction. The dwelling was constructed in 2004. Features of the home include central air conditioning and a two-car garage. The property is located in South Chicago Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on eight equity comparables. The appellant's comparables range: in building size from 1,333 to 1,610 square feet of living area; in age from 10 to 16 years; and in improvement assessments from \$12.17 to \$15.23 per square foot of living area. The appellant evidence documents reflect a building size of 1,482 square feet of living area with submitted portions of an appraisal to support this.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,337. The subject property has an improvement assessment of \$24,317 or \$13.18 per square foot of living area when using 1,845 square feet of living area as listed by the board of review with no further information. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review's comparables have building size of 1,845 square feet of living area, are 7 years old, and have improvement assessments from \$12.73 to \$15.88 per square foot of living area with no backup information.

Conclusion of Law

As to the subject's size, the Board finds that the board of review failed to submit evidence to justify the assertion of the subject's size. Therefore, the Board finds the subject building contains 1,482 square feet of living area.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables #1, #2, and #4*. These comparables had improvement assessments that ranged from \$12.17 to \$14.78 per square foot of living area. The subject's improvement assessment of \$16.41 per square foot of living area falls *above* the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
