

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Real Estate and Development
DOCKET NO.: 11-30260.001-R-1
PARCEL NO.: 20-25-417-023-0000

The parties of record before the Property Tax Appeal Board are Real Estate and Development, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,375
IMPR.: \$ 9,300
TOTAL: \$12,675

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 85-year-old, two-story dwelling of masonry construction with 2,044 square feet of living area. The property has a 3,750 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in 2009 for a price of \$70,000. In addition, the appellant submitted four sales comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,675. The subject's assessment reflects a market value of

\$126,750 or \$62.01 per square foot of living area, land included, when using the 2011 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each property.

In written rebuttal, appellant's attorney argued the subject's 2009 sale is the best evidence of market value in the record. Counsel also argued the board of review did not challenge the arm's length nature of the transaction. Finally, counsel distinguished the board of review's comparables from the subject property based on square footage.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to submit sufficient evidence to show that the subject's 2009 sale had the elements of an arm's length transaction. The Board finds the best evidence of market value in the record to be appellant's comparables #1, #2, #3, and #4, and the board of review's comparable #4, which is the same as appellant's comparable #4. The comparables sold for prices ranging from \$6.03 to \$95.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$62.01 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
