

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dong Kim
DOCKET NO.: 11-30263.001-C-1
PARCEL NO.: 12-36-202-041-1001

The parties of record before the Property Tax Appeal Board are Dong Kim, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,529
IMPR.: \$25,260
TOTAL: \$27,789

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a first floor, commercial condo unit with 900 square feet of building area. The property has a 4,120 square foot site and is located in Leyden Township, Cook

County. The property is a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$90,000, but did not specify a valuation date.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,789. The subject's assessment reflects a market value of \$111,156 or \$123.51 per square foot of living area, including land, when applying the 2011 statutory level of assessments for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25%.

In support of its contention of the correct assessment the board of review submitted information on six suggested sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the appellant's appraisal did not provide a valuation date, did not list the factors taken in consideration in the sales comparable approach and made no adjustments for differences in characteristics such as age. Therefore, the Board finds that the appraisal's adjustments and conclusions of value are given no weight.

The Board finds that in total the parties submitted data on nine commercial condominium units. The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables #1, #2, #3, and #5. These properties sold for prices ranging from \$131.86 to \$153.11 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$123.51 per square foot of

building area, which is below the range established by the best comparables. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
