

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Janko
DOCKET NO.: 11-30497.001-R-1
PARCEL NO.: 15-15-331-026-0000

The parties of record before the Property Tax Appeal Board are Matthew Janko, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,228
IMPR.: \$13,956
TOTAL: \$15,184

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-unit building of masonry construction with 3,938 square feet of living area. The building is 62 years old. The property has a 3,276 square foot site and is located in Proviso Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 6, 2011 for a price of \$160,000. The appellant's evidence consists of a sale contract, a closing statement, a copy of the subject's special warranty deed, and a PTAX-215 form. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total

assessment for the subject of \$23,198. The subject's assessment reflects a market value of \$244,447 or \$62.07 per square foot of living area, land included, when applying the 2011 level of assessment for class 2 properties of 9.49% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on two equity comparables.

In written rebuttal, the appellant's attorney stated that the board of review's evidence does not refute to the appellant's market value argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property on December 6, 2011 for a price of \$160,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The Board finds the purchase price is below the market value reflected by the assessment. Since market value has been established the level of assessment for class 2 properties of 9.49% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
