

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Liana Dekhtyar
DOCKET NO.: 11-30516.001-R-1
PARCEL NO.: 04-04-305-025-0000

The parties of record before the Property Tax Appeal Board are Liana Dekhtyar, the appellant, by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,259
IMPR: \$26,752
TOTAL: \$31,011

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction. The dwelling is approximately 34 years old and has 1,164 square feet of living area. Features of the home include a crawl-space foundation, central air conditioning and a two-car garage. The property has a 5,496 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant stated the subject property was purchased on July 14, 2011 for a price of \$216,600. The appellant submitted a copy of the settlement statement to document the transaction but did not complete Section IV - Recent Sale Data of the residential appeal form. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,011. The subject's assessment reflects a market value of \$326,776 or \$280.74 per square foot of living area, land included, when using the 2011 three year average median level of assessments for class 2 property of 9.49% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on three comparable properties to demonstrate the subject was being equitably assessed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Although the appellant stated the subject was purchased in July 2011 for a price of \$216,600, no evidence was provided to establish that the subject's sale was actually an arm's length transaction. The appellant did not complete Section IV - Recent Sale Data of the residential appeal form. The appellant failed to answer questions that asked if the parties were related; whether the property was exposed on the open market; the amount of time the property was advertised, if any; and whether the sale was the result of a foreclosure. The Board finds, due to the lack of data, the appellant failed to provide sufficient evidence to challenge the correctness of the assessment so as to shift the burden of proof to the Cook County Board of Review. (86 Ill.Admin.Code §1910.63(a)&(b)). Based upon the evidence in the record, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
