

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Hasbrouck
DOCKET NO.: 11-30938.001-C-1
PARCEL NO.: 17-06-215-002-0000

The parties of record before the Property Tax Appeal Board are Susan Hasbrouck, the appellant, by attorney Steven B. Pearlman, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,237
IMPR.: \$40,163
TOTAL: \$59,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling with 2,608 square feet of living area of masonry construction. Features of the dwelling include a full basement, central air

conditioning, two fireplaces, and a two-car garage. The property has a 4,050 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and overvaluation as the bases of the appeal. In support of the overvaluation argument, the appellant submitted information on five suggested comparable sales. In addition, the appellant submitted information on four suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,961. The subject's assessment reflects a market value of \$800,432 or \$306.91 per square foot of living area, including land, when applying the 2011 three year median level of assessment for class 2 property of 9.49% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales.

In rebuttal, appellant's counsel argued the board of review did not submit three recent sales as required under Section 1910.65 of the Official Rules of the Property Tax Appeal Board. In addition, counsel argued the board of review's comparable #1 supports a reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #2, and #4. These comparables sold for prices ranging from \$229.13 to \$249.50 per square foot of living area, including land. The subject's assessment reflects a market value of \$306.91 per square foot of living area, including land, which is above the range established by

the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified. After this reduction, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
