

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mohsin Sheikh
DOCKET NO.: 11-31155.001-R-1
PARCEL NO.: 30-18-216-039-0000

The parties of record before the Property Tax Appeal Board are Mohsin Sheikh, the appellant, by attorney Donald L. Schramm, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$1,104
IMPR: \$ 4,477
TOTAL: \$5,581**

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction. The dwelling is approximately 81 years old and has 780 square feet of living area. Features of the home include a full basement and a two-car garage. The property has

a 3,680 square foot site and is located in Calumet City, Thornton Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted limited evidence disclosing the subject property was purchased on May 12, 2010 for a price of \$26,500. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,581. The subject's assessment reflects a market value of \$55,810 or \$71.55 per square foot of living area, land included, when applying the 10% level of assessment for class 2 residential properties under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that sold from January 2009 to June 2010 for prices that ranged from \$48,000 to \$78,000, or from \$77.38 to \$110.48 per square foot of living area, land included.

The appellant's attorney submitted a rebuttal brief.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Although the appellant indicated the subject sold in May 2010 for a price of \$26,500, no substantive evidence was provided to establish that the transfer was an arm's length transaction. The appellant did not complete Section IV - Recent Sale Data of the residential appeal form and failed to disclose how the subject property had been exposed to the open market and for how

long. Although the appellant's attorney stated that he was enclosing "the most recent PTAX-215 form," a copy of the Illinois real estate transfer declaration was not submitted with the appeal. The Board finds, due to the lack of data, the appellant failed to provide substantive evidence to challenge the correctness of the assessment so as to shift the burden of proof to the Cook County Board of Review. (86 Ill.Admin.Code §1910.63(a)&(b)). Based on the evidence in the record, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
