

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Saverio Gorniak  
DOCKET NO.: 11-31263.001-R-1  
PARCEL NO.: 17-28-302-035-0000

The parties of record before the Property Tax Appeal Board are Saverio Gorniak, the appellant(s), by attorney Mary Kate Gorman, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 15,000  
**IMPR.:** \$ 34,028  
**TOTAL:** \$ 49,028

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two improvements. Improvement #1 is a two-story, multi-family dwelling of frame construction with 2,398 square feet of living area. The dwelling is 131 years old. Features include a full basement and two baths. Improvement #2 is a two-story dwelling with 1,468 square feet of living area. The property has a 3,000 square foot site and is located in South Chicago Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables for Improvement #1. The appellant did not submit comparables for Improvement #2.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,028. Improvement #1 has an improvement assessment of \$17,5288 or \$7.31 per square foot of living area. Improvement #2 has an improvement assessment of \$16,500 or \$11.24 per square foot of living area. In support of its contention of the subject's assessment, the board of review submitted four comparables for Improvement #1. The board of review did not submit comparables for Improvement #2.

### Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the board of review's comparables #1, #2 and #3. These comparables have improvement assessments that range from \$7.91 to \$8.01 per square foot of living area. Improvement #1's assessment of \$7.31 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that Improvement #1 was inequitably assessed and a reduction in Improvement #1's assessment is not justified.

The Board finds that neither party submitted comparables for Improvement #2. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that Improvement #2 was inequitably assessed and a reduction in Improvement #2's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
