

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Janko
DOCKET NO.: 11-31646.001-R-1
PARCEL NO.: 15-16-113-015-0000

The parties of record before the Property Tax Appeal Board are Matthew Janko, the appellant(s), by attorney Leonard Schiller, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,324
IMPR.: \$ 9,539
TOTAL: \$11,863

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, four-unit apartment building of masonry construction with 3,338 square feet of living area. The building is 62 years old. Features include a full unfinished basement. The property has a 5,166 square foot site and is located in Proviso Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on January 26, 2012 for a price of \$125,000. The appellant submitted a copies of the settlement statement, warranty deed, and PTAX-215. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,006. The subject's assessment reflects a market value of \$242,424 or \$72.62 per square foot of living area, land included, when using the 2011 three year average median level of assessments for class 2 property of 9.49% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four sale comparables.

In written rebuttal, the appellant's attorney stated that the board of review's evidence is insufficient to refute the appellant's market value argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in January 26, 2012 for \$125,000. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction and in support of the transaction, the appellant submitted a copies of the settlement statement, warranty deed, and PTAX-215 form. Lastly, the board of review failed to provide any evidence to challenge the arm's length nature of the transaction.

Based on this record, the Board finds the subject property had a market value of \$125,000 as of January 1, 2012. Since market value has been established the level of assessment for class 2 properties of 9.49% when using the 2011 three year average median level of assessments for class 2 property of 9.49% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
