

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irfan Sheikh
DOCKET NO.: 11-31784.001-R-1
PARCEL NO.: 20-03-108-039-1002

The parties of record before the Property Tax Appeal Board are Irfan Sheikh, the appellant(s), by attorney Edward P. Larkin, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,385
IMPR.: \$ 415
TOTAL: \$1,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of one unit in a six-unit condominium building. The property is four years old, has a 8,024 square foot site, and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal and is appealing one of the eight units in the building. In support of this argument, the appellant submitted evidence showing that the unit ending in PIN -1002 sold on May 15, 2011 for a price of \$18,000. The appellant's attorney submitted a brief outlining his argument, a copy of the settlement statement and a copy of the Cook County Assessor's Office printout for the subject unit. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,332. The subject's assessment reflects a market value of \$173,320, including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment, the board of review submitted a sales analysis using the sale of one unit in the building that sold in January 2006 for a price of \$255,000. The analysis indicated that the full value of the subject is \$205,051. Based on this analysis, the board of review requested that the subject's assessment be confirmed.

In rebuttal, the appellant's attorney argued that the board of review did not address his market value argument. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject unit on May 15, 2011 for a price of \$18,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the five units in the building had a market value of \$18,000 as of January 1, 2011. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
