

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andy Lewczuk  
DOCKET NO.: 11-33523.001-R-1  
PARCEL NO.: 19-13-421-024-0000

The parties of record before the Property Tax Appeal Board are Andy Lewczuk, the appellant(s), by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,187  
**IMPR.:** \$1,963  
**TOTAL:** \$5,150

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a one-and-one-half-story single-family dwelling of masonry construction. The dwelling contains a full unfinished basement and a two-car garage. The property has a 3,750 square foot site, and is located in Lake Township, Cook County. The property is not owner occupied. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold in November 30, 2010 for \$51,500. The appellant confirmed in Section IV of the appeal the subject's sale date, price, transfer was not between related parties, realtor involved, and the subject was advertised for sale for 177 days. This evidence included a copy of a 2010 PTAB decision, the settlement statement and a copy of the Multiple Listing Service sheet. In further support of this argument, the appellant submitted

an appraisal estimating the subject property had a market value of \$50,000 as of January 1, 2010. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,720. The subject's assessment reflects a market value of \$147,200, or \$76.70 per square foot of living area, including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment, the board of review submitted three equity comparables with sale information for each comparable. The board's evidence also confirmed the 2010 sale of the subject.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the subject's sale in November 2010 for \$51,500. The appellant confirmed in Section IV of the appeal the subject's sale date, price, transfer was not between related parties, realtor involved, and the subject was advertised for sale for 177 days. This market value is further confirmed with the appraisal valuation of \$50,000. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$51,500 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
