

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Albert Belmonte
DOCKET NO.: 11-34746.001-R-1
PARCEL NO.: 13-11-421-022-0000

The parties of record before the Property Tax Appeal Board are Albert Belmonte, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby A **Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,000
IMPR.: \$17,000
TOTAL: \$23,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, apartment building of frame construction with 2,480 square feet of living area. The dwelling was constructed in 1912. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on April 2, 2009 for \$230,000. This evidence included the settlement statement. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,883. The subject's assessment reflects a market value of

\$328,830 when applying a 10% level of assessment as determined by the Cook County Classification Ordinance.

In support of the assessment, the board of review submitted four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April 2009 for \$230,000. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction and in support of the transaction, the appellant submitted a copy of the settlement statement. Lastly, the board of review failed to provide any evidence to challenge the arm's length nature of the transaction. Based on this record, the Board finds the subject property had a market value of \$230,000 as of January 1, 2014. Since market value has been determined the 2011 level of assessments for class 2-11, residential property of 10% shall apply as determined by the Cook County Classification Ordinance.
