

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Victor & Tina Grandinetti
DOCKET NO.: 11-35088.001-R-1
PARCEL NO.: 14-29-411-009-0000

The parties of record before the Property Tax Appeal Board are Victor & Tina Grandinetti, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,507
IMPR.: \$42,180
TOTAL: \$65,687

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2011 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, apartment building of frame construction with 2,546 square feet of living area. The dwelling was constructed in 1889. The property has a 2,137 square foot site and is located in Chicago, Lake View Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales which sold from March 2008 to November 2009 for prices ranging from \$515,000 to \$737,000 or from \$164.80 to \$258.14 per square foot of living area, including land. In support, the appellant submitted MLS sheets for each comparable and a prior 2010 PTAB decision.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,328. The subject's assessment reflects a market value of

\$703,280 or \$276.23 per square foot of building area, including land, when applying the 2011 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables. These similar comparables sold for prices ranging from \$164.80 to \$258.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$276.23 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
