

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Froylan Ortiz  
DOCKET NO.: 12-00301.001-R-1  
PARCEL NO.: 30-07-02-311-002-0000

The parties of record before the Property Tax Appeal Board are Froylan Ortiz, the appellant; and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$1,832  
IMPR.: \$8,143  
TOTAL: \$9,975**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame exterior construction with 1,092 square feet of living area. The dwelling was constructed in 2003. Features of the home include a full walk-out finished basement<sup>1</sup> and central air

<sup>1</sup> This information was obtained from the Multiple Listing Service sheet submitted by the appellant. The board of review submitted the appellant's property record card which indicates an unfinished basement.

conditioning. The property has a .12-of an acre site and is located in Joliet, Joliet Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 31, 2011 for a price of \$30,010. The appellant also submitted three comparable sales to support its sale price with one comparable on the same street as the subject property. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,000. The subject's assessment reflects a market value of \$69,194 or \$63.36 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Will County of 33.24% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property on October 31, 2011 for a price of \$30,010. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 131 days. In further support of the transaction the appellant submitted a copy of the settlement statement and a copy of the Multiple Listing Service sheet. The Board finds the purchase price is below the market

value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. The Board gave less weight to the board of review sale comparables based on a two-story design and larger dwelling size when compared to the subject's dwelling size and one-story design. The Board also determined two comparable sales submitted by the board of review were new construction. Based on this record the Board finds the subject property had a market value of \$30,010 as of January 1, 2012. Since market value has been determined the 2012 three year average median level of assessment for Will County of 33.24% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
