

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rick Colbert
DOCKET NO.: 12-00450.001-R-1
PARCEL NO.: 30-07-08-106-015-0000

The parties of record before the Property Tax Appeal Board are Rick Colbert, the appellant, by attorney Jerri K. Bush in Chicago, and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,979
IMPR.: \$20,295
TOTAL: \$32,274

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 1,080 square feet of living area. The dwelling was constructed in 1950. Features of the home include a concrete slab foundation and a 368 square foot attached garage. The property has a .23 of an acre site and is located in Joliet, Joliet Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales not located in the subject's neighborhood but located from .51 to .82 of a mile from the subject property. The comparables sold from September 2011 to December 2011 for sale prices ranging from \$41,596 to \$60,199 or from \$41.27 to \$69.67 per square foot of building area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,274. The subject's assessment reflects a market value of \$97,094 or \$89.90 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Will County of 33.24% as determined by the Illinois Department of Revenue.

The board of review submitted a letter stating the appellant's sales were foreclosures and located in three different neighborhoods. The board of review also stated the assessor comparables are all from the subject's neighborhood.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located in the subject's neighborhood and less than one mile from the subject property. The comparables sold from June 2009 to August 2012 for sale prices ranging from \$123,000 to \$162,000 or from \$88.78 to \$135.91 per square foot of building area, land included.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the record contains eight comparable sales submitted by the parties in support of their respective positions. The Board gave less weight to appellant's comparables #1 and #2 due to its considerably smaller land size

when compared to the subject. The Board gave less weight to board of review comparables #3, #4 and #5. These comparables sold in June 2009 and November 2010, which is less indicative of fair market value as of the subject's January 1, 2012 assessment date. The Board finds the best evidence of market value to be the remaining three comparables. These comparables sold more proximate in time to the January 1, 2012 assessment date and have varying degrees of similarity to the subject in land size, dwelling size, age and/or location. These most similar comparables sold for prices ranging from \$60,199 to \$132,000 or from \$69.67 to \$124.06 per square foot of living area, including land. The subject's assessment reflects a market value of \$97,094 or \$89.90 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
