

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Martin
DOCKET NO.: 12-00877.001-R-1
PARCEL NO.: 14-33-303-034

The parties of record before the Property Tax Appeal Board are Mike Martin, the appellant, by attorney Clyde B. Hendricks in Peoria, and the Peoria County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Peoria County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,230
IMPR.: \$8,591
TOTAL: \$11,821

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Peoria County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,481 square feet of living area. The dwelling was constructed in 1949. Features of the home include a full unfinished basement, an attic that is one-half finished,

central air conditioning and a 280 square foot detached garage. The property has a .21-acre site and is located in Peoria, City of Peoria Township, Peoria County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on seven comparable sales.

In rebuttal, the board of review argued the appellant's comparable sales are not arms-length or are compulsory sales. In addition, the appellant's comparables were bank sales or a "HUD" sale.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,830. The subject's assessment reflects a market value of \$65,694 or \$44.36 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Peoria County of 33.23% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

Under rebuttal, the appellant argued the board of review's comparables were superior to the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 thru #4 and the board of review's comparable sales #2 and #3. These most similar comparables sold for prices ranging from \$15.25 to \$59.38 per square foot of living area, including land. The subject's assessment reflects a market value of \$44.36 per square foot of living area, including land, which is within the range established by the best comparable sales in this record.

However, the Board finds five of the six best comparables had values below the subject's market value reflected by its assessment. Based on this evidence the Board finds a reduction in the subject's assessment is justified. The Board gave less weight to the appellant's comparables #5 thru #7 due to their sales occurring in 2010, which would not be proximate to the assessment date at issue. The Board gave less weight to the board of review's comparable #1 due to its considerably larger size, when compared to the subject.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
