

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: McLain & Jennifer Tallungan
DOCKET NO.: 12-02433.001-R-1
PARCEL NO.: 13-23-301-003

The parties of record before the Property Tax Appeal Board are McLain & Jennifer Tallungan, the appellants; and the Lake County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 71,012
IMPR.: \$ 176,857
TOTAL: \$ 247,869

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame construction with 5,180 square feet of living area. The dwelling was constructed in 2001. Features of the home include a partial basement with finished area, central air conditioning,

two fireplaces and a 1,026 square foot garage. The property has a 217,830 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellants contend assessment inequity regarding the subject's land and improvement as the basis of the appeal. In support of this argument the appellants submitted information on 11 equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$247,869. The subject property has an improvement assessment of \$176,857 or \$34.14 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be board of review comparables #3 and #4. These comparables had improvement assessments \$40.11 and \$35.43, respectively, per square foot of living area. The subject's improvement assessment of \$34.14 per square foot of living area falls below the best comparables in this record. These most similar comparables had land assessments of \$0.33 per square foot of land area, exactly matching the subject land assessment of \$0.33 per square foot of land area. Based on this record the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement nor land were inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
