

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Voss
DOCKET NO.: 12-02993.001-R-1
PARCEL NO.: 09-12-315-016

The parties of record before the Property Tax Appeal Board are William Voss, the appellant, by attorney Eli R. Johnson, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$181,880
IMPR.: \$504,070
TOTAL: \$685,950

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of brick and frame construction with 5,130 square feet of living area. The dwelling was constructed in 2007.

Features of the home include a basement that is partially finished, central air conditioning, five fireplaces and an 813 square foot garage. The property has a 21,673 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that ranged in size from 4,957 to 5,926 square feet of living area. The comparables were built from 1998 to 2010.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$685,950. The subject's assessment reflects a market value of \$2,058,673 or \$401.30 per square foot of living area, land included, when using the 2012 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that ranged in size from 4,868 to 5,927 square feet of living area. The comparables were built from 1995 to 2012.

Under rebuttal, the appellant argued that the appellant's sales together with the board of review sale #1 support a reduction in the subject's assessment. In addition, the appellant argued that board of review sale #2 was an aged sale from 2010.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and board of review comparable sales #3 and #4. The Board gave less weight to the parties' remaining sales due to their significantly larger sizes and/or

older or newer ages, when compared to the subject. In addition, board of review sale #2's sale date occurred greater than 13 months prior to the January 1, 2012 assessment date. The most similar comparables sold for prices ranging from \$336.60 to \$585.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$401.30 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
