

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith Wendte
DOCKET NO.: 12-03029.001-R-1
PARCEL NO.: 10-03-208-020

The parties of record before the Property Tax Appeal Board are Keith Wendte, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,920
IMPR: \$119,250
TOTAL: \$160,170

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of frame and brick construction with 3,308 square feet of living area. The dwelling was constructed in 1997. Features of the home include a full basement containing 2,780

square feet, which is partially finished, central air conditioning, a fireplace and an 851 square foot attached garage. The property has a 17,405 square foot site and is located in Willowbrook, Downers Grove Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables that range in size from 1,914 to 3,243 square feet of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,170. The subject property has an improvement assessment of \$119,250 or \$36.05 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables that range in size from 2,736 to 3,349 square feet of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #4 and board of review comparables #1 and #2. The Board gave less weight to the parties' remaining comparables due to their significantly smaller sizes, when compared to the subject. The best comparables had improvement assessments that ranged from \$32.37 to \$35.46 per square foot of living area. The subject's improvement assessment of \$36.05 per square foot of living area falls slightly above the range established by the best comparables in this record, and appears to be justified due to the subject's larger basement size. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was

inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
