

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Lindberg  
DOCKET NO.: 12-03093.001-R-1  
PARCEL NO.: 08-32-202-014

The parties of record before the Property Tax Appeal Board are Nancy Lindberg, the appellant, by attorney Dennis D. Koonce of Dennis Koonce Attorney at Law in Frankfort; and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$47,590  
**IMPR.:** \$47,540  
**TOTAL:** \$95,130

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and brick construction with 2,522 square feet of living area. The dwelling was constructed in 1976. Features of the home

include an unfinished basement, central air conditioning, a fireplace and a 706 square foot attached garage. The property has a 11,250 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 18, 2011 for a price of \$285,500. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$124,500. The subject's assessment reflects a market value of \$373,649 or \$148.16 per square foot of living area, land included, when using the 2012 three year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on seven comparable sales.

The board of review argued that "Subject's sale "distressed?" and "Buyer's mort = 80,000." The board of review's evidence included a mortgage from March 1998 for \$100,000, a Deed from September 2010 and the subject's Illinois Real Estate Transfer Declaration listing the address of the seller in Normal Illinois.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November, 2011 for a price of \$285,500. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal

disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised by the Multiple Listing Service and it had been on the market for 53 days. In further support of the transaction the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any credible evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$285,500 as of January 1, 2012. Since market value has been determined the 2012 three year average median level of assessment for DuPage County of 33.32% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
