

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert W. & Anne M. Smith
DOCKET NO.: 12-03148.001-R-1
PARCEL NO.: 22-2-20-09-13-304-020

The parties of record before the Property Tax Appeal Board are Robert W. & Anne M. Smith, the appellants; and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Madison County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,210
IMPR.: \$49,070
TOTAL: \$57,280

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed this appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) from a notice of equalization issued by the Madison County Board of Review. The appellants challenged the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has limited jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick construction that contains 1,850 square feet of living area. The dwelling was constructed in 1962. Features of the home include an unfinished basement, central air conditioning, a

fireplace and a 440 square foot garage. The subject property has 13,200 square feet of land area. The subject property is located in Granite City Township, Madison County, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board claiming the subject's assessment was not reflective of market value. In support of this argument, the appellants submitted three suggested comparable sales that sold for prices ranging from \$127,000 to \$139,900 or from \$53.94 to \$63.19 per square foot of living area including land.

The evidence further revealed that the appellants filed this appeal directly to the Property Tax Appeal Board following receipt of notice of a township equalization factor of 1.0438 issued by the board of review increasing the assessment of the subject property from \$57,280 to \$59,790. Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final equalized assessment of \$59,790 was disclosed. The subject's assessment reflects an estimated market value of \$179,496 or \$97.03 per square foot of living area including land when applying Madison County's 2002 three-year average median level of assessment of 33.31%. 86 Ill.Admin.Code §1910.50(c)(1). The notes on appeal disclosed the appellants did not file a complaint before the board of review. After reviewing the appellants' evidence, the board of review agreed to reduce the subject's assessment by the amount of increase caused by the application of the equalization factor.

The appellants were notified of this suggested agreement and given thirty (30) days to respond if the offer was not acceptable. The appellants did respond to the Property Tax Appeal Board by the established deadline rejecting the proposed assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code

§1910.65(c). Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the Board finds the appellants did not exhaust their administrative remedy by filing an assessment complaint before the Madison County Board of Review as to confer full jurisdiction on the Property Tax Appeal Board. Rather, the appellants filed this direct appeal from a notice of equalization factor issued by the board of review that increased the subject's assessment, which conferred limited jurisdiction to the Property Tax Appeal Board. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board can grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor. (35 ILCS 200/16-180)

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
