

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Srinath Gogineni
DOCKET NO.: 12-04487.001-R-1
PARCEL NO.: 07-30-102-014

The parties of record before the Property Tax Appeal Board are Srinath Gogineni, the appellant, by attorney Patty Fortsas, of Elliott & Associates, P.C. in Des Plaines; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,739
IMPR.: \$51,988
TOTAL: \$62,727

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a two-story townhouse of frame exterior construction with 2,372 square feet of living area. The dwelling was constructed in 2006. Features of the home include central air conditioning and a two-car garage with 420 square feet of building area. The property has a 2,128 square foot site and is located at 1800 Watercolor Place, Grayslake, Warren Township, Lake

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 11-04371.001-R-1.¹ In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$66,660 based on the evidence submitted by the parties. The appellant's attorney asserted that 2011 and 2012 were within the same general assessment period for residential property. The appellant also submitted an appraisal to demonstrate the subject was overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$76,427 was disclosed, which reflects a market value

¹ A consolidated hearing was held under Docket Nos. 11-04371.001-R-1, 12-04487.001-R-, 11-06003.001-R-1, 11-06004.001-R-1, 11-06012.001-R-1, 11-06005.001-R-1, 12-04490.001-R-1, 11-06010.001-R-1 and 12-04484.001-R-1. Individual decisions will be rendered for each parcel with the applicable evidence presented.

of \$233,579 when using the 2012 three year average median level of assessment for Lake County of 32.72% as determined by the Illinois Department of Revenue. The board of review submitted descriptions and assessment information on five comparables to demonstrate the subject assessment reflected the market value.

After hearing the testimony and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board takes notice that it issued a decision reducing the subject's 2011 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2011 and 2012 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor. The Board takes notice that a .9410 equalization factor was issued in Warren Township for the 2012 assessment year. Therefore, a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
