

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Land Trust 275 1000 0353  
DOCKET NO.: 12-05059.001-R-1  
PARCEL NO.: 30-07-09-400-005-0000

The parties of record before the Property Tax Appeal Board are Land Trust 275 1000 0353, the appellant, by attorney Patrick A. Meszaros of the Law Office of Patrick A. Meszaros, in Joliet, and the Will County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$5,841  
IMPR.: \$19,998  
TOTAL: \$25,839**

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from the 2011 decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the subject's assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-unit apartment building of two-story design with frame exterior construction. The structure contains approximately 1,896 gross square feet of

building area with 2 two-bedroom units.<sup>1</sup> The building was constructed in 1900. Features include a full unfinished basement. The property has a 5,600 square foot site and is located in Joliet, Joliet Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a grid analysis of four comparable sales along with Multiple Listing Service data sheets, printouts from the Supervisor of Assessment and printouts from the township assessor with characteristics information. The comparables were said to be from .25 to .72 of a mile from the subject property. The sales occurred between January 2011 and November 2012 for prices ranging from \$52,000 to \$90,000 or from \$22.73 to \$45.95 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment of \$19,860 which would reflect a market value of approximately \$59,580 or \$31.42 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,126. The subject's assessment reflects a market value of \$96,649 or \$50.98 per square foot of living area, land included, when using the 2012 three year average median level of assessment for Will County of 33.24% as determined by the Illinois Department of Revenue.

In rebuttal the board of review submitted a statement from James A. Brenzewski, Joliet Township Assessor, with two grid analyses which reiterated the appellant's four comparable sales. Each of the grids for appellant's comparable #3 reported a sale of the property in March 2013 for \$74,000 or \$40.00 per square foot of living area, rather than the January 2011 sale which the appellant reported for \$85,000.

In the same statement and in support of its contention of the correct assessment, the board of review purports to have submitted information on "comparables" ranging from \$40.76 to \$70.46 per square foot. The only documents attached to the township assessor's statement are the two grids of the appellant's four comparable sales along with applicable property record cards for the subject and the appellant's four

comparables. There is no other data regarding sales as referenced in the township assessor's statement.

Based on this purported evidence, the board of review requested confirmation of the subject's assessment.

### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record to be the comparable sales submitted by the appellant along with a second sale of appellant's comparable #3. These sales occurred between January 2011 and March 2013 for prices ranging from \$52,000 to \$90,000 or from \$22.73 to \$45.95 per square foot of living area, including land.

The subject's assessment reflects a market value of \$96,649 or \$50.98 per square foot of living area, including land, which is above the only comparable sales in the record. Therefore, the Property Tax Appeal Board finds that the subject is overvalued and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
