

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Halina Kociubinski  
DOCKET NO.: 12-20123.001-R-1  
PARCEL NO.: 13-18-109-009-0000

The parties of record before the Property Tax Appeal Board are Halina Kociubinski, the appellant, by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,627  
**IMPR:** \$ 23,741  
**TOTAL:** \$ 27,368

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with an 11-year old, two-story, masonry, single-family dwelling with 2,256 square feet of living area. Features of the home include a partial basement, central air conditioning, one fireplace, and a two-car garage. The property is located in Norwood Park Township.

The subject property is an owner occupied residence that was the subject matter of two appeals before the Property Tax Appeal Board the prior years under docket #10-20022-R-1 and #11-20098-R-1. In those appeals, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$27,368 based on the evidence submitted by the parties. The appellant's attorney asserted that 2010, 2011 and 2012 were within the same general assessment period for residential property. The appellant also submitted market data in the form of an appraisal to demonstrate the subject was being overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$38,800 was disclosed. The board of review submitted descriptions, assessment, and sales information on four suggested

comparables to demonstrate that the subject's assessment reflected the property's market value.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2010 and 2011 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2010, 2011 and 2012 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period.

For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
