

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Konrad Ostalowski  
DOCKET NO.: 12-20193.001-R-1  
PARCEL NO.: 12-12-312-037-0000

The parties of record before the Property Tax Appeal Board are Konrad Ostalowski, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,157  
**IMPR.:** \$34,270  
**TOTAL:** \$38,427

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4,264 square foot parcel of land improved with a two-story, masonry, single-family dwelling containing 2,154 square feet of living area. The property is located in Norwood Park Township, Cook County. The subject is classified as a 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument the appellant submitted four equity comparables. He argues that these properties are more similar to

the subject as they are all new, rebuilt, two-story homes as the subject. The properties range in size from 999 to 1,979 square feet of living area and have improvement assessments from \$13.17 to \$21.20 per square foot of living area. The appellant also included a prior Property Tax Appeal Board decision for the subject

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,427 with an improvement assessment of \$34,270 or \$15.91 per square foot of living area. In support of its contention of the correct assessment the board of review submitted four equity comparables. These properties are all two-story, masonry, stucco or frame and masonry dwellings containing between 2,195 and 2,373 square feet of living area. They have improvement assessments ranging from \$16.06 to \$17.41 per square foot of living area.

#### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties presented a total of eight equity comparables. The Board finds the appellant's comparables #1, #2, and #4 and the board of review's comparable #2 are the most similar to the subject. The comparables have improvement assessments from \$13.17 to \$21.20 per square foot of living area. In comparison, the subject's assessment of \$15.91 per square foot of living area falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
