

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Steffen
DOCKET NO.: 12-20806.001-R-1
PARCEL NO.: 14-07-108-036-0000

The parties of record before the Property Tax Appeal Board are Michael Steffen, the appellant, by attorney Julie Realmuto of McCarthy Duffy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,793
IMPR.: \$21,262
TOTAL: \$33,055

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 957 square feet of living area. The dwelling is approximately 72 years old. Features of the home include a full unfinished basement and central air conditioning. The property has a 4,536 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a

class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables improved with one-story dwellings of frame construction that ranged in size from 912 to 972 square feet of living area and in age from 98 to 140 years old. These comparables had improvement assessments ranging from \$21,582 to \$24,061 or from \$23.66 to \$24.75 per square foot of living area. In the analysis prepared by the appellant, the appellant reported the subject as having an improvement assessment of \$27,293 or \$28.52 per square foot of living area and requested a reduction to the improvement assessment to \$23,657 or \$24.72 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,055. The subject property has an improvement assessment of \$21,262 or \$22.22 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables improved with one-story dwellings of frame construction that had either 912 or 993 square feet of living area and ranged in age from 98 to 104 years old. These comparables had improvement assessments ranging from \$21,582 to \$26,929 or from \$23.66 to \$29.53 per square foot of living area. Board of review comparable #4 was the same comparable as appellant's comparable #1.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted six comparables that had varying degrees of similarity to the subject property. These comparables had improvement assessments that ranged from \$23.66 to \$29.53 per square foot of living area. The subject's improvement assessment of \$22.22 per square foot of living area falls below the range established by the comparables in this record and is actually below the appellant's requested improvement assessment. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
