

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Spignola  
DOCKET NO.: 12-20837.001-R-1  
PARCEL NO.: 14-18-305-001-0000

The parties of record before the Property Tax Appeal Board are Mike Spignola, the appellant, by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 8,000  
**IMPR.:** \$42,000  
**TOTAL:** \$50,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a three-story, masonry dwelling built in 1915. Features include: one commercial unit and four residential units. The property has a 2,500 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$500,000 as of January 1, 2012. The appraisal developed all three of the traditional approaches to value. In addition, the appraisal stated that the subject's improvement contains 6,500 square feet of living area after an inspection was undertaken on January 14, 2013. The appellant requested a total assessment of \$50,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,493. The subject's assessment reflects a market value of \$654,930 including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review submitted the subject's property characteristic printout reflecting a building size of 7,499 square feet of building area and had been accorded a homeowner's exemption.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment information on two suggested equity comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of improvement size and market value to be the *appraisal submitted by the appellant*. The Board finds the owner-occupied, subject property had a market value of \$500,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
